European Farmhouse meets chic city loft in this 60-inch Ciao Bella Writing Desk. Crafted of Poplar and Hardwood Solids with Pine veneers, the simple and understated silhouette has a natural finish with distressing including hand-chiseling, to give the appearance of a treasured piece that is aged through the generations. The metal base adds an industrial flavor. Inspired by the small farmhouses that dot the French and Italian countryside and have been in the hands of the same family for generations, Hooker Furniture introduces the rustic Ciao Bella Collection. The whole home collection is an eclectic mix of European farmhouse pieces that have the appearance of furniture that has been refinished multiple times as it has passed through the generations. Ciao Bella includes bedroom, dining room, occasional, home office and accent furniture, and features a finish called Timeworn Gray that accentuates the historical nature of European farmhouses - many of which include a variety of furniture styles that have been added by each generation of owners.
