From farm-to-decor looks to rustic luxe, AMERICAN LIFE evokes a sense of community, easy living and authentic craftsmanship. It was during a local road trip and seeing first-hand a new wave of store fronts with rustic charm that the Crafted Collection was born. Constructed of poplar solids and oak veneers in a finish that is reminiscent of a bourbon barrel burnished over time, the collection features authentic design details including aluminum accents with a heavy copper patina, aged leather accents on case pieces, leather-wrapped hardware and heavily distressed textured finishes that provide authentic, aged character.
