

LA GRANGE LATERAL FILE

\$1,589.00

From the romantic key-latch shaped ring pull hardware to the rich dark Antique Varnish finish with highlights of natural wear and wood tones, the Warrenton Lateral File imparts the rich heritage of the American Southwest. With two locking file drawers on metal ball bearing full extension slides, the Warrenton is handy for the office, but can easily serve as a multifunctional side table in the family room, guest room or other space.

Taking the next step in creating a Hill Country family of collections, Hooker Furniture has introduced LaGrange. The anthology of bedroom, living room, dining room, occasional and home office furniture is inspired by the Hill Country region of Texas, including the town of LaGrange, one of the stops made by the Hooker Furniture design team in search of inspiration. The collection includes heavily distressed oak and hickory surfaces, extensive carving and scroll work, aged metals, sedimentary stone and primitive textiles. Each piece has a unique story to tell, while still retaining the authentic American character of the original collection. LaGrange is updated with a fresh new personality, brought to life by four distinctive finishes and modern conveniences for the lifestyles of today.
