Located just north of Venice on the Adriatic Sea, the Italian province of Treviso has produced architectural and artistic treasures since Renaissance times. Treviso has the authentic feel of pieces that have lived a rich life as they aged beautifully through the centuries. The dark macchiato finish with rub-through shows the warmth of the wood and has a soft surface texture to give the appearance of an Old World antique that has aged naturally over time. Capture the beauty and romance of the Italian Renaissance in classic furnishings updated for today with Treviso.
