PRODUCT DESCRIPTION

OFFICESOURCE STARLIGHT HIGH BACK LUXE TASK CHAIR WITH BLACK FRAME AND SEAT SLIDER

The Starlight High Back Luxe Task Chair offers ergonomic comfort and customizable support for any workspace. With a height-adjustable lumbar support, 4D adjustable armrests, and seat height, depth,

and tilt adjustments, this chair is designed to fit your body and needs. Its breathable mesh back promotes airflow, while the wide, cushioned seat is available in multiple upholsteries including fabric, PU leater and genuine leather for a personalized feel. The sleek, durable design supports up to 300 lbs and features a sturdy black nylon base with smooth-rolling casters. Optional add-ons, like an adjustable headrest, enhance the experience, making Starlight the ideal choice for all-day comfort.

- Wide and comfortable molded seat cushion
- Upholstered waterfall front seat available in your choice of a wide variety of colors complemented by a unique textured mesh back
 - Synchro-tilt mechanism with 4-position back lock
 - Modern 4-position tension control knob
 - Forward seat tilt
 - Pneumatic seat height adjustment with gas lift
- Soft padded, 4D adjustable arms (Up/Down, Front/Back, Pivot In/Out, Left/Right)
 - Height-adjustable padded lumbar support
- Black five-star nylon base with 60mm hard casters
 - Supports weight capacity of up to 300 lbs.
